Dear Professor Longley

Annual Letter 2018/19

I am pleased to provide you with the Annual letter (2018/19) for Cwm Taf University Health Board. This year I am publishing my Annual Letters as part of my Annual Report and Accounts. I hope the Board finds this helpful and I trust this will enable it to review its own complaint handling performance in the context of other public bodies performing similar functions across Wales.

The number of complaints received which related to the Health Board remained consistent and fewer cases required investigation by my office. Also, I am pleased that the number of cases requiring intervention by my office reduced from 37% to 33%. However, of those cases which were investigated, a greater number were upheld (in whole or in part). Furthermore, of the ten public interest healthcare-related reports I issued, two related to care and treatment delivered by your Health Board. The two cases raised serious concerns; one related to delays in providing mental health and autism spectrum disorder assessments, and the other case found serious shortcomings in the treatment of a patient whose bowel perforated and who developed sepsis – care which fell well below reasonable standards. I will be following up on the recommendations I made in these reports this year.

The Public Services Ombudsman (Wales) Act 2019 has now been introduced. I am delighted that the Assembly has approved this legislation giving the office new powers aimed at:

- Improving access to my office
- Providing a seamless mechanism for complaint handling when a patient's NHS care is inextricably linked with private healthcare
- Allowing me to undertake own initiative investigations when required in the public interest
- Ensuring that complaints data from across Wales may be used to drive improvement in public services for citizens in Wales.

I am very much looking forward to implementing these new powers over the coming year.

Action for the Health Board to take:

- Present my Annual Letter to the Board to assist Board Members in their scrutiny of the Board's performance
- Reflect upon the findings in the Public Interest reports I have issued and positively act upon my recommendations to improve services
- Continue to reduce the number of cases which require intervention by my office
- Inform me of the outcome of the Health Board's considerations and proposed actions on the above matters by **31 October 2019**.

This correspondence is copied to the Chief Executive of your Health Board and to your Contact Officer. Finally, a copy of all Annual Letters will be published on my website.

Yours sincerely

Nick Bennett
Public Services Ombudsman for Wales

CC: Dr Sharon Hopkins, Interim Chief Executive
Claire Adams, Contact Officer
